SIR,

Adverting to Government Order No. G 2093-4/P.& S. 60-19-6 dated the 28th July 1920, sanctioning the continuance of the Press School till end of June 1921 and calling for ^{the} submission of a report on the progress of the school by end of March 1921, I have the honor to report as follows:-

On receipt of the above Order at the close of July 1920 notices inviting applications for admission to the school were published in the Mysore Gazette, and by the middle of August as many as 20 students were enrolled and the imparting of instruction commenced at once. The school worked steadily for about two months in charge of the Foreman and the progress was satisfactory.

But owing to the strike of the Press employees during the period from 6th October 1920 to 9th February 1921 there was such dislocation of work in the Press, and the services of the Foreman and the Students, which came in handy were utilized in the execution of urgent and important works.

SIR,

With reference to your docket No. G.19737/1 dated the 18th instant, I have the honor to state that the paid learners will be absorbed in the regular establishment of the Press as per your letter No. G.19739/1 dated the 18th April 1921 with effect from 1st April 1921 the Printing School may be continued for another year from 1st July 1921. It will take up the training of the lads who are working in the Press as before. Government in their Order No. G.2093-4/1 dated 28th July 1920 have provided for separate teaching arrangement by sanctioning the appointment of a Foreman, a Technical Attendant and a Peon. They have also sanctioned scholarships ranging from 3 to 7 rupees per month. The school has acquitted itself creditably in the technical examinations of the Madras Government as is evident from my previous reports. It offers a good training ground for youngsters, sons of the employees of the Press, who will be instructed in the School. Further, the school has been in existence for the past six years.

In these circumstances, I beg that the order of discontinuing the school may be kindly reconsidered and that

continuance for another ^{yr}~~/~~ may be sanctioned.

I have the honor to be,

mir
